

## LIGHTWEIGHT EURO ANNEXE

---

We pride ourselves on our service and come to you to measure and install – making caravanning easy!

Our Annexes are custom made to measure your van and suit all types of awnings. Light weight European walls, UV proof and exceptionally strong textile outdoor furniture grade fabric.

### Lightweight Euro Annexe contains:

- Light weight European fabric on 3 walls with mesh windows and doors
- Zip in/zip out window panel and midge mesh fly screen in the long wall only
- Anti-Flap Kit (if you already have an AFK, please contact us and we will discount your wall package)
- 2 x curved roof rafters
- 2 x internal end poles and 10 x large (8mm) pegs
- Draftskirt made to measure, preventing wind and bugs from entering your annexe
- Available in light grey colour with black vinyl base only
- PVC Clear window in long wall, loose lay rubber flooring and the reversible porch are optional extras
