

TROPICAL SHADE ANNEXE

The Tropical Annexe provides an enclosed room on your van or motorhome. It allows air flow and shade, so it is perfect for hot days as it reduces the temperature under your awning.

The Tropical Annexe is custom made and suits all types of awnings. Fully UV proof and exceptionally strong textile polyester fibre fabric. It comes in 2 colours – light grey or charcoal

Our Tropical Shade Annexe contains:

- 2 x end walls, bottom of walls hemmed, zips to long side wall, zipped door way
- 1 x long side wall, bottom of wall hemmed, zips to end walls
- Our Anti-Flap Kit in the correct length for your awning (if you already have an AFK, let us know and we will discount your wall package)
- Draftskirt in black or grey vinyl
- Sail track fitted to your van with 2 x touch-tape returns
